Dear Resident ,

I write with an update on the delayed car park painting project. The project will be delivered by Archway Highway Services. An accredited company with a successful portfolio, managed by a person who was born and raised in Kennington and for that reason is excited to be working with us. They apologise for the delay in the project.

We will be reaching out to residents with vehicles. For those without one, we kindly ask that your friends, family, visitors are reminded that access to Opal Street and Isabella car park areas will be restricted on the following dates:

Tuesday 13th June 2023
Wednesday 14th June 2023
(If needed) Thursday 15th June 2023

The project will commence at 08:00 each day and finish 14:30. Domestic waste collection (Lambeth Council through Serco) will happen after 15:00 on Tuesday 13 June and Thursday 15 June (irrespective of whether we need a third day for the project).

Should you have any questions with regards to this, please contact us on 0207 926 8105 or cottingtonclose@lambeth.gov.uk or visit us during our office hours.

Yours sincerely,

Idham Ramadi
Estate Director
