Residents of Cottington Close Estate

1 March 2023

Dear Resident,

In recent weeks, we've been informed of incidences where residents/non-residents have parked in crosshatched areas.

These areas are cross hatched for a reason. When kept clear, emergency vehicles can save your life as well as the lives of your loved ones, your neighbours, and your friends. The need for their services can come unexpectedly. It could happen at any time. Which is why it is important to make sure that the cross hatches are always kept free.

Parking in crosshatch area infringements often occur when the office is closed. Which is why, we kindly ask that we work together to tackle this problem. Our parking enforcement team offer an out of hours service. This can be at night or over the weekend.

They can be contacted at ccrmoparking@gmail.com . It is an inbox that is monitored by P4Parking and CCRMO. When they receive the email, they will go out and ticket the violating vehicle(s).

Please do not rely on your neighbours to report this. We need your help as well. Let's work together to stop this problem.

Yours sincerely,

Idham Ramadi
Estate Director
