Dear Resident,

Please accept this letter as the latest news regarding your Estate.

Estate Inspection – Thursday 3 August 2023 at 18:30

A note for your diary, please. Whilst we carry out monthly Estate Inspections, the one for July will be slightly different. July's Estate Inspection for **Thursday 3 August 2023** will begin at **18:30**. Since this is the first time, we're holding this in the evening, I am writing to you to understand the level of interest. You may have/not attend one of these before. The aim is to walkaround your Estate and identify any issues. If there are any issues regarding the Estate, we do advise informing us so that we can sort it out before an Estate Inspection. Things like a broken window in the communal area, or large items left in public walkways. Please report these types of issues here:
